## Amarillo International

**Airport** is located just 45 minutes south of Dumas. The Rick Husband Amarillo International Airport is an asset to the Texas and Oklahoma panhandle areas and eastern New Mexico. The facility is a first class operation that has a completely renovated terminal. The checkpoint has been significantly enlarged to make the security process one of the most comfortable and efficient you will experience, typically taking only 10 minutes. The seven gates are located in a spacious consolidated concourse area with full food, bar and gift services with free Wi-Fi service available throughout the building.

The Airport serves American, Southwest and United Airlines with multiple daily direct flights to and from the following destinations, and has the following car rental firms on site:
