 Moore County, TX (48341)
 Geography: County

Educational attainment is reported for persons age 25 and older. This is the traditional age by which most people have completed their formal education, although a trend has developed in recent years for persons to return for schooling past age 25. Still, these figures provide a picture of the general educational level of the population. Educational attainment is usually associated with income.

Also provided are the counts for persons presently enrolled in school, educational courses, and degree programs.
